

PLAINTIFFS' EXHIBIT 1  
EXCERPTS FROM DEPOSITION OF JADOMINIQUE PHILIPPS

Jadominique Phillips - January 19, 2018

1           **A. It was four-week training.**

2           Q. On January 1, 2017 were you at work?

3           **A. Yes.**

4           Q. What was your position in the morning shift?

5           I think 6:00 to 1400 hours or 2:00 p.m., 6:00 a.m.

6           to 2:00 p.m.

7           **A. I was 10:00 p.m. to 6:00 a.m.**

8           Q. I'm talking about on the 1st, not the 31st.

9           **A. I was in Bravo dorm. Yeah, I was in Bravo**  
10 **dorm. I got placed in Bravo dorm.**

11          Q. Okay. When you say you got placed there,  
12 was that not a routine part of your job?

13          **A. We swapped every morning.**

14          Q. That morning do you recall anything unusual  
15 happening during that shift?

16          **A. The normal -- just running late, it was**  
17 **running late. I was placed in medical that night.**  
18 **So I didn't get placed in Bravo dorm until around**  
19 **probably close to 6:30.**

20          Q. Okay. So you had done the previous shift as  
21 well?

22          **A. Yes.**

23          Q. Tell us what kind of hours you're expected  
24 to do and when you do them.

25          **A. We are expected to do two 16s and three**

8

1       **eights.**

2       Q.   Hours?

3       **A.   Hours.**

4       Q.   When do you do the two 16s?   Are they back  
5       to back?

6       **A.   Mine was on Sundays and Tuesdays.   So back**  
7       **to back.**

8       Q.   So you were actually there December 31 at  
9       night?

10      **A.   Yes, sir.**

11      Q.   Up to 6:00 and then some.   Why were you  
12     having to postpone going to your position in the  
13     Bravo --

14      **A.   They were short of staff.   So they was**  
15     **trying to figure out who they was going to place**  
16     **where and to relieve the other people that had did a**  
17     **16.**

18      Q.   I realize that you had not been employed  
19     there very long.   How long had you been employed?

20      **A.   We had started December 9th.   So we had**  
21     **probably been out on the field about, like, two or**  
22     **three weeks.**

23      Q.   Okay.   Actual employment?

24      **A.   Right.**

25      Q.   Okay.   Then how long did you continue

Jadominique Phillips - January 19, 2018

9

1 working there?

2 A. I continued working there for several months  
3 after and I quit in, like, June.

4 Q. What was your reason for leaving?

5 A. Understaffed, unfairness.

6 Q. Can you be more specific about unfairness?

7 A. Unfairness meaning, like, if it's not our 16  
8 they making us stay 16, not giving us relief,  
9 knowing we already did a 16 prior to the 16 they're  
10 making us do.

11 Q. Did you ever had trouble staying awake?

12 A. Sometimes. Honestly, sometimes but your  
13 body get used to it.

14 Q. Was your body used to it on that day?

15 A. No. I had just started.

16 Q. You were asked to write a report of what  
17 happened there, right?

18 A. Yes.

19 Q. Do you recognize that?

20 A. Yes.

21 Q. Tell us about it.

22 A. Can I read it first?

23 Q. Sure.

24 A. Okay. Can you repeat that question?

25 Q. Is that your statement?

Jadominique Phillips - January 19, 2018

10

1       A. Yes, sir.

2       Q. Is that your handwriting?

3       A. Yes, sir.

4       Q. And signature?

5       A. Yes, sir.

6       Q. Okay. And just read it since it's short.

7       Read it for us.

8       A. Okay. At 0640 inmate began to knock very  
9 hard on the window.

10      Q. Slow down for the court reporter.

11      A. I then began to see what was the problem.

12     He stated that John Green was having pain in his  
13 chest and trouble breathing. I then seen the man  
14 leaning on the side of his bed in pain. I called  
15 code blue. At 0642 the nurse and staff arrived.

16     Q. For those who may not understand what a code  
17 blue is can you explain it?

18     A. A code blue is like medical, something wrong  
19 with somebody, they not breathing, basically between  
20 life and death.

21     Q. Serious --

22     A. A serious matter.

23     Q. Did you ever have to call a code blue before  
24 that?

25     A. No, sir. That was my first code blue.

Jadominique Phillips - January 19, 2018

1 Q. Just a couple weeks into the job?

11

2 A. First code blue.

3 Q. Did you ever get close to Mr. Green?

4 A. No, sir. I don't get close to no inmate.

5 Q. You were assigned to the tower, right?

6 A. Right.

7 Q. Kind of explain that to us a little bit.

8 Could you see the pod where all the men were from  
9 your tower?

10 A. Yes. You could see all four of the pods  
11 from the tower. All you got to do is spin around  
12 and you'll see.

13 Q. Okay. So that's a pretty important position  
14 isn't it?

15 A. Yes.

16 Q. Did you ever have any other emergencies  
17 while you were in the tower?

18 A. No, sir. I think that was my first time,  
19 like, having a serious matter happen.

20 Q. Nothing like that afterwards?

21 A. Yeah, we had plenty of code blues after  
22 that, code blacks, fights.

23 Q. Code black is a fight?

24 A. Yeah, code black was a fight. Code red,  
25 fire.

Jadominique Phillips - January 19, 2018

1           Q. Was the staffing as far as you could tell on  
2 January 1st, on New year's Day, 2017, was it  
3 anything unusual compared to any other day?

4           **A. I missed part of that. Say that again.**

5           Q. You say you had to wait in your previous  
6 position that you had done in the earlier shift and  
7 where was that? Where were you stationed?

8           **A. In medical.**

9           Q. In medical?

10          **A. Uh-huh (affirmative response).**

11          Q. Okay. And you had done eight hours?

12          **A. Correct.**

13          Q. And then it turned into eight and a half  
14 hours?

15          **A. Right.**

16          Q. Okay. And that was because of what?

17          **A. Short of staff, understaffed.**

18          Q. Waiting for somebody to come relieve you?

19          **A. Yes, sir.**

20          Q. Relieve you after -- or so you could go to  
21 your next job?

22          **A. Exactly.**

23          Q. Okay. I interrupted you when I asked you  
24 why you left and I asked you to talk about fairness.

25          But when you were talking about fairness was it

12

Jadominique Phillips - January 19, 2018

13

1 all about the hours you had worked?

2 A. The hours, just really overworking you.

3 Q. Okay.

4 A. That was my biggest issue with MTC, they  
5 over work you.

6 Q. Okay. Are you aware of any times when  
7 records of -- let me back up. Whoever was on duty  
8 would have to do a record of such things as making a  
9 head count; is that correct?

10 A. Yes.

11 Q. Was that done on the hour?

12 A. Yes, sir. During the day -- can I explain  
13 that?

14 Q. Sure.

15 A. During the day from 6:00 to 2:00 you only  
16 had three; during the 2:00 to 10:00 shift you had  
17 three; at night you had every hour, you head count  
18 every hour at night.

19 Q. Right up until?

20 A. 6:00 a.m.

21 Q. Okay. So from midnight until 6:00 a.m.  
22 there should've been someone doing head count every  
23 hour on the hour?

24 A. Every hour on the hour.

25 Q. Do you have any knowledge of falsification

Jadominique Phillips - January 19, 2018

1 know you get fired.

26

2 Q. All right. If someone is a no call, no show  
3 that means that they were scheduled to be on that  
4 day, correct?

5 A. Yes, sir.

6 Q. So if there was understaffing on a  
7 particular day when there was no calls and no shows  
8 that was because the employees who were scheduled to  
9 be there didn't show up; correct?

10 A. Yes, sir.

11 Q. Okay. About your schedules, you correct me  
12 if I'm wrong here, I think I heard you say that each  
13 week you were required to do two 16s and three  
14 eight-hour shifts?

15 A. Yes.

16 Q. So that's 56 hours a week, correct?

17 A. Yes, sir.

18 Q. Did everyone have to do that?

19 A. Yes, sir. Supervisors -- well, sergeants,  
20 they did but the captains and the lieutenant didn't,  
21 they did eights.

22 Q. Okay. After you called the code blue tell  
23 me what happened, what you can remember happening  
24 with Mr. Green.

25 A. When I called the code blue he was already

Jadominique Phillips - January 19, 2018

1 leaning on the side of the bed. So I called the  
2 code blue. If I can remember I think I closed the  
3 door, didn't lock it but I closed it so when the  
4 team come down I could just swing it open, close the  
5 door and they could do whatever they have to do.

6 But the first supervisor there was Lt. Blake and  
7 from there it was the medical and captains and they  
8 just really swarmed the hallway.

9 Q. Okay. In your statement it says that -- I  
10 think you said you called it at 6:40, called the  
11 code blue; is that right? I don't want to put words  
12 in your mouth.

13 A. Yes, at 6:40.

14 Q. You called it at 6:40 and people arrived at  
15 6:42?

16 A. Yes because Bravo is at the end of the  
17 facility.

18 Q. Okay.

19 A. So you have to get the nursing team down  
20 there. The nurses is at the front of the facility,  
21 plus they brought the stretcher.

22 Q. How many of the nursing folks came?

23 A. It was two women.

24 Q. Were they working for MTC at the time?

25 A. Yes, sir.
